Better Science is better Management!

Onbeard LONGLINE IS

 $\star$  **\star** Found a fish with a tag?  $\star$   $\star$ 

Now, if it's orange or white, we'd like the whole fish!

- → Leave the tags in the fish
- → Do not gill and gut the fish, we buy the whole fish
- → Contact immediately SPC

tagging@spc.int carolines@spc.int

Archival tag

## Note the information below:

- Take a picture of the fish with the tag
- Measure the fish accurately (fork length as above)
- > Date found

- > Tag number
- > Species
- > Date and position of catch
- > If found in a well: note the well number
- ➤ Catcher vessel name + gear type
- > finder name + contact details
